

## **BUSINESS BOOSTERS: Support The Klein Forest Football Team!**

The Klein Forest Football Boosters is seeking your support. We are a 501(c)(3) non-profit organization whose prime mission is to raise funds to compliment the district's funding of our football program. Our booster club is dedicated to supporting the strong winning tradition of the Golden Eagles. We need the support of local businesses to make sure our team has the needed financial and moral support. Sponsoring the Golden Eagles is a great way to advertise your business to the whole Klein ISD community. The Klein Forest Football Field offers you prime visibility to promote your business as it is home to a constant stream of activities – from intermediate and high school football, track, field, and soccer events to community sporting events, plus community members use the track daily.

Please consider supporting our team at the following levels.
